

3 things

January 2021

Happy New Year and welcome to our second '3 things' newsletter. You'll find that in every edition we will focus on 3 things that we hope you find informative, helpful and maybe some discount offerings. We want this newsletter to be a valuable resource, so please share your feedback and suggestions to help us improve.

1

Individual Club Apparel Store

Take the worry out of selling your club apparel and still make the money.

Let us administer all sales, production and delivery of your clubs' uniforms on and off the playing field along with any supporter apparel you would like to sell via your own dedicated club page from our website. We will even create this page for you!

All you need to do is promote the address to your players and use it on social media. The more you advertise, the more people spend and the more profit you make for your club. There are no limits to the number of items in your clubs' store. Just give us a call to discuss the design, required apparel items and remuneration structure you would like and we will do the rest.

Be one of the growing number of clubs that have taken advantage of this exclusive offer.

*Soccer | Netball | Union | League | AFL | Rowing
Swimming | Fitness Clubs | Darts | Lawn Bowls | etc*

Shields / Frames / Plaques

As 2021 begins, we have already noticed an increase of interest in our custom shields, frames and engraved plaques. Our engraving/printing machines can be used on most surface textures and materials from timber, metal and glass AND curved surfaces - think golf balls!

So, if you have a reason to create a custom trophy / plaque or even promotional items, then give us a phone call to discuss your unique visions. We are able to customise any items to suit your needs.

Thanks For Your Support

We would like to thank everyone that supported us throughout the disastrous year that was 2020. From Covid-19 to relocating our Maitland store to voting in our Christmas shopfront display competition, it was a big year! We appreciate all your support and patronage and look forward to a happy, healthy AND active 2021.
